

# Your Business Deserves Recognition

## Who I Am:

As the most passionate video producer in the DMV Area, I will bring your vision to life with amazing and bespoke production that is catered to your exact needs, without breaking the bank.

Since 2008, I have dedicated myself to studying filmmaking while mastering my craft in the process. Whether it is camera operating, audio mixing, video editing, or any other part of the production process, I have it covered.

## What I Do:

Chris Does Video is proud to give local businesses the opportunity to select from affordable advertisement packages to promote themselves and continue expanding their businesses in the way that they envision.
